

Excellence in Academic and Character Education

The South Leeward Mission of Seventh-day Adventists will seek to develop and maintain successful schools where high quality teaching takes place in a supportive Christian environment; where spiritual leaders seek to work in harmony with others to develop and facilitate a culture of excellence.

**Slogan: "Recreating the Image of God in Man,
Christian Education is A Part of God's Plan"**

"True education does not ignore the value of scientific knowledge or literary acquirements; but above information it values power; above power, goodness; above intellectual acquirements, character. The world does not so much need men of great intellect as of noble character."
